

Introducing Quick-Stop

Silver nitrate, antimicrobial properties for wound care

Quick-Stop

By Bray

Quick-Stop offers an innovative solution for both veterinary practices and pet owners, focused on convenience, quality, and effectiveness. Designed for ease of use and maximum impact, Quick-Stop products ensure that animal care is simple, safe and efficient.

Quick-Stop Applicator

(designed for veterinary practitioners)

- **User-Friendly Packaging:** Convenient packs of 10 applicators (5x10 outer), perfect for multi treatment room veterinary practices
- **Simple Application:** Streamlined design ensures ease of use, saving time and effort during treatment
- **Flexible:** Designed with ergonomic flexible applicator aiding ease of use
- **Organised Pouches:** No loose applicators reduce the risk of damage, offering a practical solution for busy clinics
- **Revenue-Boosting:** Immediate billing after application creates a direct opportunity to increase practice revenue

Quick-Stop is the must-have solution for both professional and home-based animal care, bringing together convenience, efficiency, and increased revenue potential.

Quick-Stop Pencil

(designed for pets at home, grooming salons)

- **Pet Owner Friendly:** Convenient single-pack silver nitrate pencil (10 outer) ideal for home use, ensuring easy care for pets
- **Point of Sale (POS) Packaging:** Attractive POS packaging boosts visibility and drives sales
- **Customer Display Unit (CDU):** Eye-catching CDU designed for high-traffic areas, grabbing attention and promoting sales
- **Impressive Visual Impact:** Bold design that leaves a lasting impression, appealing to new customers
- **Strategic Placement:** The CDU encourages impulse buys, driving product exposure and sales
- **Brand Differentiation:** Unique packaging and CDU ensure Quick-Stop stands out, enhancing brand recognition and appeal
- **Increased Return on Investment:** The CDU's strategic placement and attractive design lead to immediate revenue growth and sales increases, benefiting both practices and pet grooming salons
