

## **Quick-Care by Bray colloidal silver ear drops**

### **Directions for use**

Apply 1–2 drops into the outer ear canal. Gently massage the base of the ear to distribute the product. Allow your pet to shake their head, then wipe away any excess. Use as part of your regular care routine or as needed.

### **Storage**

Store in a cool, dry place, out of direct sunlight. Keep out of the reach and sight of children. Best used within 1 year of purchase for optimum freshness and effectiveness.

### **Caution**

For external use in the ear canal only in pets with intact eardrums. Avoid contact with eyes, nose, mouth, and mucous membranes.

Colloidal silver is a liquid containing microscopic particles of pure silver suspended in ultra-pure water. Produced in the UK using only two natural ingredients: 99.9–99.99% pure silver and pharmaceutical-grade water.

### **Ingredients**

Aqua, CI 77820 (Silver) 25 ppm

### **Quality and sustainability**

**Carefully prepared:** Made using purified water and high-purity silver. No additives, parabens, sulphates, alcohol, fillers, or artificial preservatives are used.

**UK produced:** Manufactured in our UK lab facility in small batches for consistency.

**Quality checked:** Products are independently lab-tested and safety-assessed to multiple compliances, including Regulation (EC) No 1223/2009, ISO 11930 (Efficacy of Antimicrobial Preservation Tests), MHRA standards, and are 100% vegan and cruelty-free (PETA certified).

**Sustainability commitment:** We aim to reduce waste and use recyclable and recycled packaging wherever possible.
